

# Persiapan Crawling Data

CHAPTER 2  
SAINS DATA

# Pembahasan

Tools yang digunakan

# Tools yang digunakan

- Python → bisa dari Google Colab atau Jupyter Notebook

The image shows the interior of a grand, historic library. The architecture features a high, vaulted wooden ceiling with a series of arches. The walls are lined with tall, dark wood bookshelves filled with books. A wooden balcony with a decorative railing runs across the middle of the frame. A wooden ladder is leaning against one of the upper bookshelves. The floor is made of polished wood. In the foreground, there are large, ornate wooden columns supporting the structure. On the balcony, there are green-painted wooden panels with gold lettering. The text "Library yang digunakan" is overlaid in the center of the image.
